Two Big Sales Offer Bargains To Buyers Here

Sam Levy and Beacon Drug Advertise Special Merchandise Events

The announcements of two sales of more than ordinary importance appear in this issue. Sam Levy is offering some exceptional bargains in his \$3.95 shoe sale, and the Beacon Drug Store will give double value in many articles in their Owl Drug Company "Two-for-One" sale.

The value offered in these two sales certainly are convincing proof that it pays to buy in Torrance. Many articles which are sold nationally at a standard price are included in the list of bargains at both stores at sharp reductions.

In the case of the Beacon Drug Company, the Two-for-One sale is an advertising plan to acquaint

the public with their products. Sam Levy is making substantial reductions in shoe prices to effect a rapid disposal of an overstock of shoes. Many of the shoes included in this sale were bought by Mr. Levy on his trip in the east and have just arrived. They represent the newest creations in Fall and Winter footwear.

Firemen Express Thanks to Those Who Helped Show

The Torrance Volunteer Fire Department wishes to express through The Herald its appreciation of the efforts of the following for their contributions to the success of the demonstration given here last Thursday night: Consolidated Lumber Company, Torrance Hardware Company, Torrance Electric Company, Schultz, Peckham and Schultz, J. H. Fess, The Artlers Hotel, Rev. B. H. Lingenfelter, David Burt, the police department, and The Torrance Herald.

taken and the members decided unanimously to support a movement for a home for the organization.

Plan Financing

On Feb. 14 definite plans for the financing of the clubhouse and its construction had been perfected and a questionnaire setting forth the details of two plans was explained to members. The questionnaire was mailed to members. They elected that a home be constructed according to a plan of financing made possible by the generosity of Brian K. Welch and his family. The plan stipulated that a corporation be formed and Mrs. Henderson was authorized to take steps toward incorporation.

On Feb. 26 a motion was unanimously carried that Lot 18, Block 26, be purchased from the Dominguez Land Corporation. On Feb. 28 Mrs. Gilbert reported the sum of \$421.02 in the building fund and Mrs. Henderson reported that pledges for stock in the proposed corporation totaled \$1891.

In the securing of pledges the club received the hearty co-operation of the business and professional men of Torrance.

Incorporation papers were approved by the state on May 1, 1924.

On June 12 the club held its annual meeting. The following officers were elected: President, Mrs. J. M. Fitzhugh; vice-president, Mrs. F. L. Parks; second vice-president, Mrs. Florence Peckham; third vice-president, Mrs. Edna Stone; recording secretary, Mrs. M. J. Neelands; corresponding secretary, Mrs. Phoebe Milburn; federation secretary, Mrs. John Young; treasurer, Mrs. W. H. Gilbert. The following directors were elected: Mrs. Isabel Henderson, Mrs. A. P. Stevenson, and Mrs. P. G. Briney.

The first meeting of the Women's Club of Torrance, incorporated, was held on July 3, 1924. The following directors were elected: Mrs. Isabel Henderson, Mrs. Hurum E. Reeve, J. W. Post, George W. Neill, and W. Harold Kingsley. Constitution and by-laws were adopted.

The directors met on the same day and elected the following officers: President, J. W. Post; vice-president, George W. Neill; secretary-treasurer, W. Harold Kingsley.

Mrs. Reeve Does Good Work

On Oct. 9, 1924, the corporation was granted a permit for the sale of stock. Mrs. Hurum Reeve, acting as chairman of the building committee, to which she was appointed when Mrs. Henderson resigned, worked diligently for several months. It was her devotion to the cause of the club and her effort that contributed most to the financing of the clubhouse.

With this amount of stock sold, Brian K. Welch offered to purchase enough more stock for himself and his family to make construction of the building possible.

The building was erected by the Industrial Housing Corporation on a basis of cost plus 10 percent. Sub-contractors in many cases took part payment for their work in stock in the club.

The corporation then authorized a mortgage on the building and entered into a lease with the Women's Club.

To carry this lease, maintain the clubhouse, retire the mortgage and retire stock so that the club will eventually own the building and lot, it is necessary for the women's organization to raise between \$200 and \$250 a month. This they are setting out to do.

The value of the clubhouse to the community cannot be overestimated. Its benefits will be more fully realized in months and years to come. It is noteworthy that the building has effected a great increase in the membership of the Women's Club. At the time the questionnaire on the building proposals were sent out the membership in the club was 78. Today it is 218.

Present officers of the Women's Club are as follows: President, Mrs. Carrie Parks; vice-president, Mrs. Clara Curtiss; second vice-president, Mrs. Ila Gilbert; third vice-president, Mrs. Edna Stone; recording secretary, Mrs. Jessie Reeve; corresponding secretary, Mrs. Julia Neelands; federation secretary, Mrs. Gladys Fitzhugh; treasurer, Mrs. Mildred Lancaster; auditor, Mrs. Isabel Henderson. Directors are Mrs. Jane Neill, Mrs. Anna Street, Mrs. Nellie Stevenson.

RETURN FROM EAST

Mr. and Mrs. R. R. Smith returned to Torrance Friday morning, after a month's trip east. They visited in Texas, New Orleans, Washington, Philadelphia, New York, Connecticut, Buffalo, Toledo, Salt Lake City, and San Francisco.

Everett Isenhower left Sunday for San Francisco, where he will attend a convention of Pacific coast India tire dealers.

Miss Mary Wilkinson, pianist, took part in a skit presented recently by Southern Branch students at Pasadena.
